A word from 48 Hills Publisher Marke B. and Editor Tim Redmond:

Welcome to the 48 Hills Triple Gala and congratulations to all of our Best of the Bay 2026 winners. Tonight, we're celebrating three great independent San Francisco institutions: the Bay Guardian, Best of the Bay, and 48 Hills. Thank you so much for joining us this evening and supporting our mission. Let's keep local journalism independent, human-driven, and accountable!
